Wrap up for 21-22 & Updates for Rib 22-23 ~Submitted by Tammy Steckbauer~

As we work to wrap up the 21-22 school year and begin planning for next year, I wanted to take this opportunity to thank all families for their commitment and dedication to Rib Mtn., your children, and education in general. Together, we are better!

Hoping that you'll find some fun ways to continue learning this summer. Encourage your kids to be active learners. Make sure they spend as much time as possible outside biking, climbing, and enjoying our beautiful community. Spending time this way will help encourage better sleep, better attitudes, help grow their brains, and ensure that the summer is fun-filled!

Please see the following list of changes/updates that I can share with you for next year. I will continue to share updates as they become available. Please reach out if you have any questions. Otherwise, wishing you a wonderful May and successful end to the school year!
